

ModSpace provides total space and furniture solutions for a variety of interior applications – from basic job site offices to professional sales office environments.

Style, function or budget - whatever your priority, ModSpace has flexible options to design the interior of your mobile office space to meet any specification.

When you rent furniture with your modular unit you save time because the delivery (and pickup) can be coordinated with the building – with the convenience of one monthly bill for the building and furniture.

Benefits of ModSpace Furniture Solutions

- Lease a fully furnished modular building
- One monthly bill for the building and furniture
- Delivery and pickup coordinated with the building
- Brand name furniture options
- Short and long-term leasing options
- Furniture solutions for every budget
- “Add-ons” and purchase options
- Rent furniture individually or in packages

We can help make any workspace flexible, functional, and cost-effective. Leasing your furniture from ModSpace allows you to have the furnishings you want when you need it—from one supplier.

Furniture Solutions can include:

- Basic folding chairs and folding tables for economy-minded projects.
- Office furniture for our mobile offices and designer series buildings in various price/style categories to fit any budget.
- Office workstations/systems furniture for modular buildings to manage space and personnel effectively.

Job Site Offices

Our stock rental furniture program offers the ultimate convenience with basic furniture delivered directly to your job site with your mobile office building. Stock rental furniture includes:

- Folding chairs
- Folding tables

Project Management Offices

For the project manager that requires more furniture to accommodate more office space in a larger modular building, ModSpace suggests:

- Executive desks
- Rolling desk chairs
- File cabinets
- Additional folding tables & chairs for meeting space

Professional Sales Offices

A professional sales office may require more high-end furniture packages for the image and productivity you need, such as:

- Executive desks
- Rolling desk chairs
- File cabinets
- Additional folding tables & chairs for meeting space
- Workstations & systems furniture
- Industry specific furnishings (sales counters, waiting rooms, etc.)
